Assignment of Insurance Benefits:

YOUR INSURANCE POLICY IS A CONTRACT BETWEEN YOU AND YOUR INSURANCE COMPANY. We cannot guarantee payment of your claims or accept responsibility for negotiating claims with your insurance company. I hereby assign all medical benefits, to include major medical benefits to which I am entitled, private insurance and any other hearing health plans to Berrie's. A photocopy of my insurance card and driver's license are to be considered as valid as an original. I authorize any holder of medical information about me to be released to the Health Care Financing Administration and its agents any information needed to determine these benefits or related services to pay the claim. I am financially responsible for all charges whether or not paid by insurance. I hereby authorize Berrie's to release all information necessary to secure the payment. If the insurance pays only a portion of the bill or fails to make payment within 90 days, I will be responsible for payment of balance in full at that time. I understand that, as I am responsible, any collection, legal fees or court costs incurred in attempt to collect this debt will be my responsibility.

I authorize any holder of medical or other information about me to release any information needed to process this or other claims. I permit a copy of this authorization to be used in place of the original and request payment of medical insurance benefits either to myself or to the party who accepts the assignment.
